

Concentrate 1:20

# CITRUSOLV™ 40

## Multi-Purpose • Heavy-Duty Solvent Degreaser

This water dilutable, water rinsable multi-purpose degreaser creates an emulsion that removes the heaviest build-ups of grease, oil, ink, adhesives, undercoating and other tough soils. Perfect for use in floor scrubbers, mop buckets and spray and wipe applications. This product contains a pleasant citrus fragrance for natural deodorization while cleaning. Contains the finest grade of natural citrus terpenes available.

### Uses

- Engine degreasing
- Cosmoline and adhesive removal
- Removes rubber tire marks and tar
- Spray and wipe

### Benefits

- Quickly cuts through grease, oil, carbon, adhesives and other tough soils.
- Versatile - Natural citrus solvents clean a variety of surfaces.
- Highly concentrated to save money.
- Use at high dilutions (1:43 max.) with water for heavy duty cleaning.
- Deodorizes as it cleans, refreshing citrus fragrance.
- Complies with Federal and State Consumer VOC limits for the applicable categories.
- Non-acid, non-caustic, non-corrosive according to use directions.
- Non-flammable when diluted with water.
- Replaces hazardous solvents.

### Properties

Color.....	Orange
Fragrance.....	Citrus
Solvency.....	Excellent
Total active ingredients .....	70%
Foam .....	Low
Flash point .....	124°
Flash point diluted with water .....	None
pH @ concentrate .....	9.5 (+/-0.5)
Corrosion to metals .....	None
Residue.....	Trace
For nonconductive cleaning .....	No
Phosphates.....	None
SARA 313 ingredients .....	None
Meets VOC limits for applicable categories .....	Yes
Shelf life .....	1 year

### Directions For Use

Read the entire label before using this product.

**HEAVY DUTY CLEANING:** For engines, concrete floors, cosmoline, tar and adhesive removal, use straight or dilute with water following the dilution table below and apply as you would any solvent cleaner. **AUTOMATIC SCRUBBERS AND MOP BUCKETS:** Follow dilution table below. Stronger dilutions may be required in heavily soiled areas. Set up wet floor signs and clean floors accordingly. Change solution periodically. **SPRAY AND WIPE:** Always use solvent resistant bottles and solvent resistant trigger sprayers. Dilute with water and spray on surfaces to be cleaned. Wipe with a clean towel or cloth. **NOTE:** This product is safe to use on many painted surfaces but always test in an inconspicuous area before use. Equipment should be thoroughly cleaned after each use.

DILUTION TABLE	
Light soil .....	1:43 (3 ounces/gallon) 23 mL/L
Moderate soil .....	1:21 (6 ounces/gallon) 47 mL/L
Heavy soil .....	1:10 (13 ounces/gallon) 100 mL/L
Very Heavy soil.....	1:5 (26 ounces/gallon) 200 mL/L

### Safety

Keep out of reach of children. For industrial and commercial use. **WARNING:** Contains Citrus Terpenes. Keep away from heat, sparks, and fire. Avoid skin and eye contact. Wear suitable eye wear and gloves. Harmful if inhaled. Do not take internally. Harmful if swallowed. **FIRST AID:** If splashed on skin or in eyes, flush with large quantities of water. Remove contaminated clothing. If inhaled, get to fresh air. If breathing is difficult, give oxygen. If swallowed, do not induce vomiting. Call a physician immediately.
