

Ready-To-Use

CITRUSOLV™ WR

Water Rinsable Solvent Degreaser

This water rinsable solvent degreaser is a pleasantly scented solvent that removes heavy build-ups of grease, oil, adhesives, undercoating, rubber tire marks and other tough soils. Perfect for dip cleaning and removing heavy build-up of industrial soil. Formulated with natural citrus terpenes, this product complies with latest Federal Consumer product VOC limits for applicable categories. Contains no SARA 313 regulated solvents and is noncorrosive.

Uses

- Heavy duty cleaning
- Concrete floors
- Cosmoline and adhesive removal
- Dissolves rubber tire marks
- Dip cleaning
- Spray and wipe

Features

- Quickly cuts through grease, oil, adhesives, undercoating, rubber tire marks and other tough soils.
- 145°F reduces flammability concerns.
- Versatile - natural citrus solvents clean a variety of surfaces.
- Deodorizes as it cleans, refreshing citrus fragrance.
- Meets VOC limits for applicable categories.
- Non-acid, non-caustic, non-corrosive for safer use.
- Non-flammable when diluted with water.
- Replaces more hazardous solvents.

Directions For Use

Read the entire label before using this product.

Although this product is safe on most surfaces, be sure to pretest before using. FOR REMOVAL OF COSMOLINE UNDERCOATING, RUBBER TIRE MARKS, GREASE, OIL AND ADHESIVES: Apply undiluted to surface and rinse off with water. FOR DEGREASING OF MOTORS AND CHASSIS: Use straight. Spray or brush on. Allow to remain 10 minutes. Hose off with water.

Safety

Keep out of reach of children. For industrial and commercial use. DANGER: Contains Petroleum distillates. Keep away from heat, sparks and fire. Avoid skin and eye contact. Wear suitable eye wear and gloves. Harmful if inhaled. Do not take internally. Harmful if swallowed. FIRST AID: If splashed on skin or in eyes, flush with large quantities of water. Remove contaminated clothing. If inhaled, get to fresh air. If breathing is difficult, give oxygen. If swallowed, do not induce vomiting. Call a physician immediately.
