

GREEN EARTH®

NATURAL ALL PURPOSE CLEANER

This powerful all purpose cleaner is made with raw materials derived from natural sources. A synergistic blend of natural citrus, soy, pine and coconut, combined with state-of-the-art biodegradable surfactants, produce a formula that rivals traditional hard surface cleaners. This versatile and dilutable cleaner quickly and effectively removes a variety of soils from any surface not harmed by water. No added solvents or artificial dyes are incorporated into this revolutionary cleaner. The clean, natural, citrus aroma persists hours after initial use.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Floors and concrete
- Counters, walls and vents
- General cleaning
- Ashtrays
- Glass, mirrors and chrome
- Outdoor furniture
- Sinks and fixtures
- Fitness equipment
- Tub and tile
- Desks and chairs

- Rails
- Vinyl
- Spas (pretest for colorfastness)
- Appliances and garbage receptacles

Performance Benefits

- Natural citrus aroma.
- Versatile – Clean virtually anything with the power of nature.
- Economical – Dilutable for light, medium or heavy duty use.
- Will not streak or smear.

Environmental Benefits

- All ingredients are made from natural sources, are non-butyl and do not contain synthetic solvents.
- Non-corrosive and non-flammable.
- Low skin, eye and respiratory irritation.
- No dyes or synthetic fragrances.

Properties

Color	Amber
Odor.....	Natural Citrus
Appearance.....	Clear
pH.....	8 - 9.2
Flash point.....	>200° F
Glycol ethers	None
EDTA.....	None
Dye.....	None
Petroleum surfactants.....	None
Petroleum derived solvents.....	None
Silicates.....	None
Alkaline builders.....	None
Shelf life.....	1 year

Directions For Use

Read the entire label before using this product. Use for both spray-and-wipe and floor cleaning applications. **DILUTIONS:** LIGHT SOIL: Dilute 2 oz./gal. or 16 mL/L (1:64) with water. MODERATE SOIL: Dilute 6 oz./gal. or 47 mL/L (1:20) with water. HEAVY SOIL: Dilute 12 oz./gal. or 100 mL/L (1:10) with water. Always test in an inconspicuous area before using. FOR USE WITH TRIGGER SPRAY BOTTLES: Spray properly diluted product to soiled areas and wipe with a clean cloth. FOR USE WITH MOP BUCKET: Fill mop bucket with properly diluted product as indicated by the soil levels and dilution table above. Apply properly diluted product to the floor, pick up with a tightly wrung mop or wet/dry vacuum. FOR USE IN AUTOMATIC SCRUBBER: Fill solution tank with properly diluted mixture utilizing the table above. For heavy soils double scrubbing may be required. For porous or grouted floors, scrub brushes may improve the removal of surface soils.

Safety

Keep out of reach of children. For institutional and commercial use. **CAUTION:** Eye irritant. May cause skin irritation. **FIRST AID: SKIN OR EYES:** Flush with large quantities of water. Seek medical attention if irritation persists. **IF SWALLOWED:** Drink large quantities of water. Seek medical attention if symptoms persist. **IF INHALED:** Remove person to fresh air.
