

GREEN EARTH®

NATURAL DEGREASER MB

Clean tough soils by breaking down greases, oils on floor surfaces. Does not use petroleum derived solvents or alkaline builders. Contains natural soy solvents and a blend of five different surfactants for cleaning many different soils. Uses biodegradable chelating agents to prevent any wastewater contamination.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Concrete floors
- Warehouses
- Industrial facilities
- Manufacturing facilities
- Epoxy Coated floors
- Concrete
- General cleaning

Performance Benefits

- Powerful – Natural solvents and a blend of 5 surfactants provide superior cleaning performance.
- Economical – Dilutable concentrate for light, medium and heavy duty use.

Environmental Benefits

- Low foaming formulation - Ideal for automatic scrubber use.
- Non-butyl.
- No added fragrances.
- Non-combustible and non-corrosive.
- Contains biodegradable chelating agents to prevent wastewater contamination.
- Low VOC formulation

Properties

Color	Green
Fragrance	Fragrance Free
Appearance	Clear
pH	9.5-10.5
Shelf life	1 year

Directions For Use

Read the entire label before using this product. This industrial degreaser cleans concrete, floors, walls, machinery, engines and a variety of other water washable industrial surfaces. Not recommended for cleaning glass. Use appropriate metering tips for the desired dilution. MODERATE SOIL: Dilute 2.5 oz./gal or 20 ml/L (1:50) with water. HEAVY SOIL: Dilute 5.5 oz./gal or 43 ml/L (1:22) with water.

Safety

Keep out of reach of children. For institutional and commercial use. **WARNING:** Avoid contact with skin and eyes. Wear chemical anti-splash goggles and suitable gloves. **FIRST AID:** Remove contaminated clothing immediately. **SKIN AND EYES:** Flush skin and eyes immediately with large quantities of water for at least 15 minutes. Seek immediate medical attention. **INGESTION:** If swallowed, contact a poison control center immediately for treatment advice. Have conscious person take sips of water if able to swallow. Never give anything by mouth to an unconscious person. Do not induce vomiting unless instructed to do so by poison control center or doctor. **INHALATION:** Remove to fresh air. If not breathing, call 911 or an ambulance, then administer oxygen, preferably mouth-to-mouth.
